Registration and Seating – Frequently Asked Questions

Q: I received a Check-in Number for the event. Can more than one person use the same Check-in Number?

A: No. Each Check-in Number is valid for one person and one seat only.

Q: I do not have a seat reservation. Can you arrange one for me now?

A: We are sorry, but all seat reservations are already at full capacity.

Q: I registered and received a reserved seat, but I have informed the organisers that I will no longer be able to attend. May I transfer my seat to someone else?

A: No. Once your registration was cancelled, the seat reservation was also released and cannot be transferred to another person.

Q: I made a HK\$1,000 donation. Why did I not receive a seat reservation?

A: Seat reservations for donors closed on February 9. This update was reflected in the registration form. Donations made after February 9 did not include seat reservations.

Q: I made a HK\$1,000 donation and should have two seat reservations. Why did I receive only one?

A: After registering, you should have received an email asking you to submit your guest's name and email address through a form by April 15. If the information was not submitted by the deadline, a seat reservation could not be arranged for the guest.
